OBJECTIVE

Seeking a tech internship to apply academic knowledge and Technical skills, gain practical experience, and contribute to innovative projects while gaining hands-on experience in the industry.

EDUCATION

BTech in Computer Science,   2021 - Present
DYPCET, Kolhapur , CGPA: 8.3

HSC   2019 - 2020
BRPU , Athani.
87 %

SKILLS AND INTERESTS

Skills	C, Java, Html, Css, Javascript, React js, Mongodb, express js, node js, Mysql.
Cloud	Basics of Google Cloud Platform , Firebase , Docker.
Soft Skills	Team Work, Leadership, Time Management , Problem Solving, multitasking.

PROJECTS

Near Duplicate Image Search   Major Project

- Led a team of 3 members in developing a near-duplicate image search system.

- Improved image retrieval accuracy and performance through advanced deep learning techniques.

- Utilized Keras and Locality-Sensitive Hashing to identify similar images in a real-time dataset.

Proyecta Minds
- Developed Proyecta Minds, a web-based project management platform for college students combining features of Trello and Jira to facilitate collaboration. using the MERN stack and Docker, featuring task management and collaboration tools. Integrated an in-browser code editor supporting multiple languages (C, C++, Java, Python, PHP, JavaScript) and a collaboration request feature to enhance teamwork and productivity.

ScamShield
Created and maintained websites using HTML, CSS, and JavaScript. The website which provides the cyber attack related Information. In this i Worked with real time cyber-attack to understand threats and deliver custom solutions to that problem.

INTERNSHIP

· "Completed a 2-month internship of IIT Bombay focused on developing a near-duplicate image search system using locality-sensitive hashing (LSH) with Keras. Worked on real-time datasets, gaining hands-on experience in machine learning, image processing, and deep learning techniques."   May 2024 - July 2024

EXTRA-CURRICULAR ACTIVITIES

Training co-ordinator
Successfully completed the Training co-ordinator in the Training and Placement Cell at DYPCET kolhpaur, where I oversee various activities related to student training related activities. Responsibilities include managing the training records, Facilitate engaging training sessions, workshops, and seminars, utilizing a variety of instructional techniques and technologies to meet diverse learning styles.
